Maternal-Child Health Nurse Leadership Academy

- **Background**

- Partnership with **Sigma Theta Tau International** since 2002
- Started in the US
- Expanded to four countries in Africa: South Africa, Uganda, Malawi, Swaziland

- **Goal: To improve maternal and child health through:**

- Increased **leadership competency** of nurses and midwives
- **Maternal and child projects** implemented during and after the program
- Changes in **practice in the community**

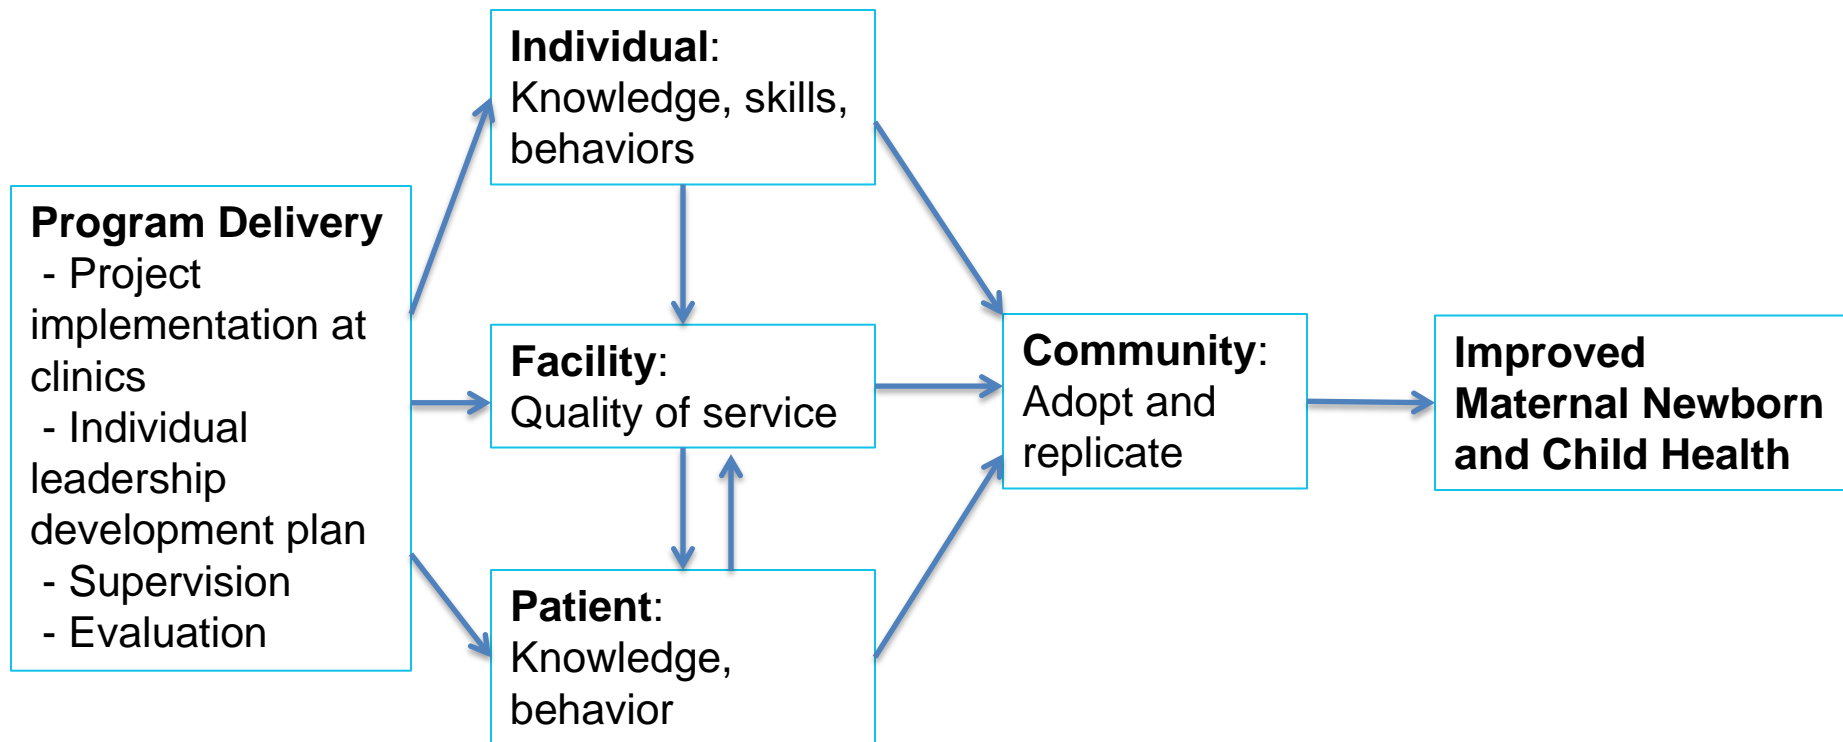

Leadership Journey

Leadership Practices Inventory®:

- Model the way
- Inspire shared vision
- Challenge the process
- Empower others to act
- Encourage the hear

Theory of Change

Midwives save
and improve
lives...
