2013-2014 Fulbright U.S. Scholar Opportunities in Science, Technology, and Innovation in Brazil

Up to 49 grants are available in the 2013-2014 competition for U.S. academics, professionals, and mid-career researchers to teach and/or conduct research in Brazil. The governments of the United States and Brazil, through the U.S.-Brazil Fulbright Commission, are expanding teaching and research exchange opportunities in science and technology through the new Fulbright-Science Without Borders Scholar Program.

2013-2014 Awards Include:

Fulbright-ALCOA Distinguished Chair in the Environmental Sciences and Engineering (#3473)

Fulbright-FACEPE Distinguished Chair in the Oil and Gas Sciences and Engineering (#3475)

Fulbright-Science Without Borders Distinguished Chair (#3532)

Fulbright-Science Without Borders (#3477)

All Disciplines Postdoctoral Research Award (#3533)

Grant lengths vary by award and range from 3 to 9 months, beginning August 2013 or March 2014. Proficiency in Portuguese or Spanish is not required for awards in science and technology.

Visit <http://www.iie.org/cies> to access the Catalog of Awards, online application and guidelines. The application deadline for the 2013 – 2014 competition is August 1, 2012.

For information contact Katrin DeWindt at kdewindt@iie.org or 202.686.6254 or Caitlin McNamara at cmcnamara@iie.org or 202.686.6237.

The Fulbright Program, sponsored by the U.S. Department of State's Bureau of Educational and Cultural Affairs, is the U.S. government's flagship international exchange program and is supported by the people of the United States and partner countries around the world.
