

LGBTQ+ COMMUNITY IN BRAZIL

Though an advocate for LGBTQ+ rights in international forums, Brazil still lacks comprehensive protections and privileges within the country.

Nearly 3 out of 10 young people aged 18 to 24 identify as LGBTQ+

However, less than 10% of the general population identifies as LGBTQ+

2013

legalization of same-sex marriage

386%

increase in LGBTQ+ candidates in 2018 elections

LGBTQ+ DEATHS

(number per year)

35.7% are people of color

At least 420 LGBTQ+ people died as victims of homophobia in 2018, but some states are more dangerous than others.

VICTIMS PER MILLION

Acre	8.44
Alagoas	6.81
Roraima	5.74
