Director's Forum Invitation

Ernesto Cordero

Secretary of Finance and Public Credit, Mexico

Please join the Woodrow Wilson Center, the Inter-American Dialogue and the Council of the Americas for a wide ranging conversation on the Mexican economy with **Ernesto Cordero**, Secretary of Finance and Public Credit (SHCP) for the Government of Mexico. Mexico is just beginning to recover from what was one of the deepest recessions of any country in the region in this recent global financial meltdown. Our conversation will focus on the impact of this recession, on the course of recovery, and on what obstacles remain.

Ernesto Cordero previously served as Secretary of Social Development from January 2008 to December 2009. He has also served as Undersecretary of the Budget at the SHCP, and as Undersecretary for Energy Planning at the Secretariat of Energy.

We very much hope you will be able to join us for what promises to be a stimulating exchange. Please let us know if that will be possible. Please RSVP to meetings@thedialogue.org.

Please allow time on arrival at the building for routine security procedures. A photo ID is required.

Individuals attending Woodrow Wilson Center events may be audiotaped, videotaped, or photographed during the course of a meeting, and by attending grant permission for their likenesses and the content of their comments, if any, to be broadcast, webcast, published, or otherwise reported or recorded.
