

# World No Tobacco Day 2013

## Human and Economic Impact of Non-Communicable Diseases (NCD) in the Developing World

Keynote Address Featuring  
**Dr. Tabaré Vázquez**

To mark World No Tobacco Day, the Woodrow Wilson Center Latin America Program in cooperation with the World Bank will cohost a high-level event featuring Dr. Tabaré Vázquez, ex-President of Uruguay, and one of the main policymakers behind Tobacco control policies in his country.

Dr. Vázquez, will provide an overview of Uruguay's efforts to reduce non-communicable diseases with a special emphasis on tobacco control.
