Engendering violence in urban contexts: Lessons from Kibera

Caroline Wanjiku Kihato
Visiting Senior Researcher, Wits University

18 February, 2014

Kibera 250ha 170070
Low development outcomes

Key questions

How are men and women differentially affected by violence?

What roles do they play in fuelling or mitigating violence?

How do the way their socialized affect the nature of conflict?
