

# Population, Health and Environment:

Where have we been?

Roger-Mark De Souza

# Where Have We Been?

- 1. Our origins:
  - 1970s-1980s rural development projects
  - 1980s – Integrated Conservation and Development Projects
- 2. 1990s : The “Who are we?” years
  - Guatemala and Ecuador
  - Concerns about mission drift
  - 1999 – Washington DC
- 3. Early 2000’s: “Let’s measure this approach” years
  - Madagascar:
  - Champion Communities; Ecoregional approaches
  - 2004 – IUCN World Conservation Congress – M&E

# Where Have We Been?

- 4. Mid 2000's: Implementation/advocacy years
  - 2006 – Philippines
  - Implementation models and advocacy approaches
- 5. 2006 - 2007: You must be nuts! years
  - East Africa
  - Networks, centers of excellence
- 6. 2013: Taking the Pulse
  - Ethiopia
  - PHE is alive, kicking and screaming!
