But in 2012...

Fredys Socarrás
Mayor of Valledupar

“To be successful in the long term, we must have a serious planning”

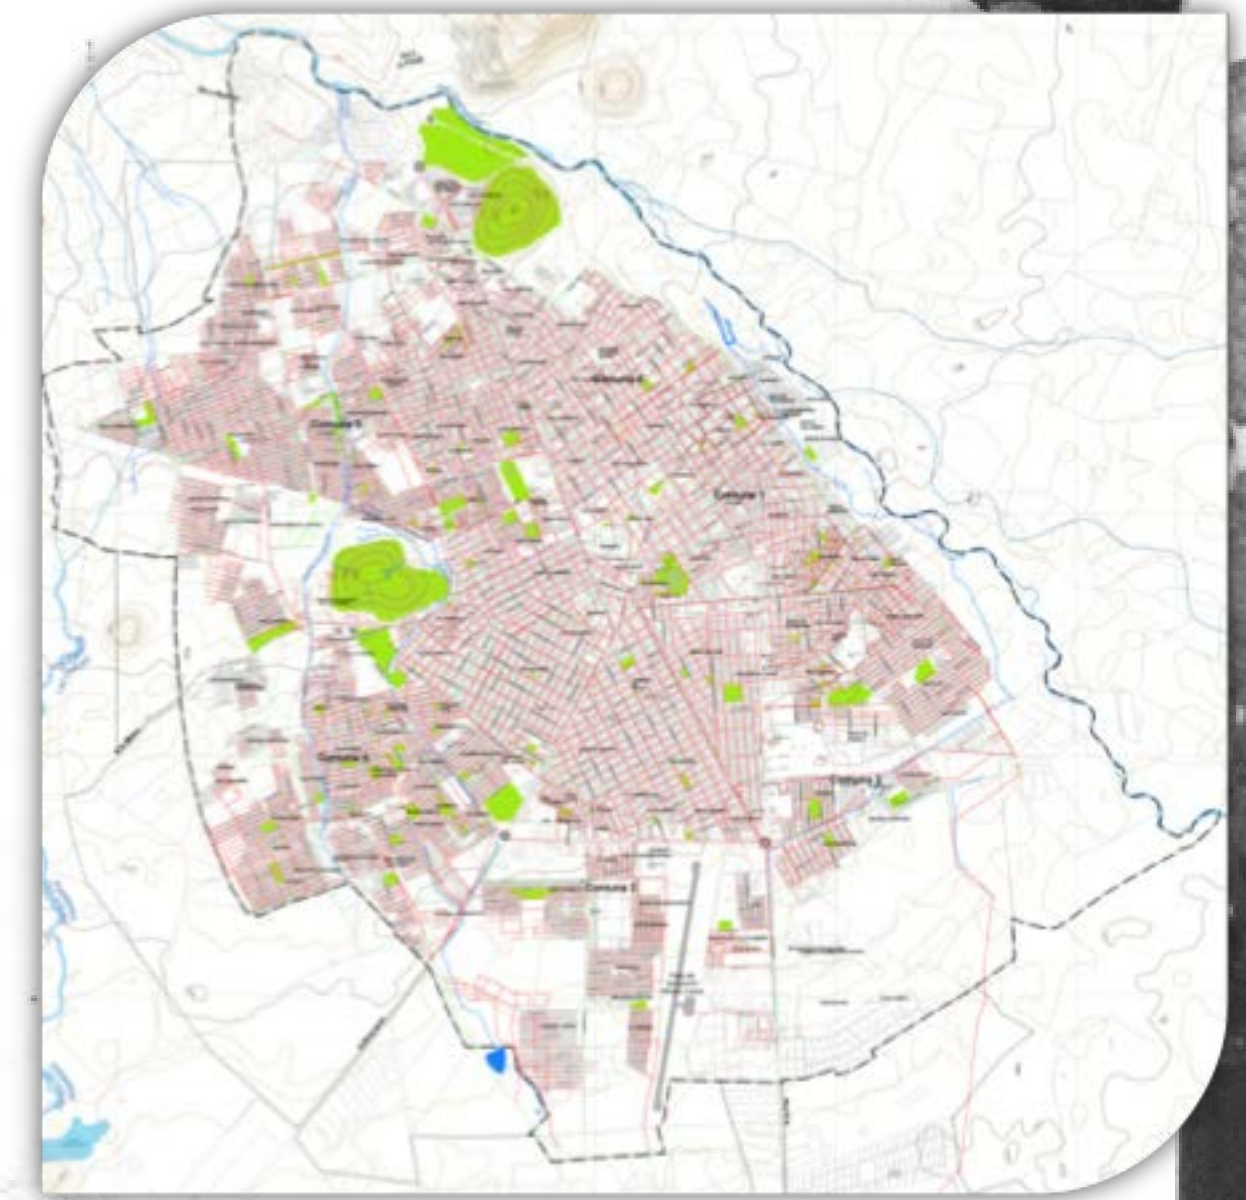

“In Valledupar, It is worth dreaming in the imposible”

**Plan for preservation
and management of
the Historic city**

**Master plan for public
transportation**

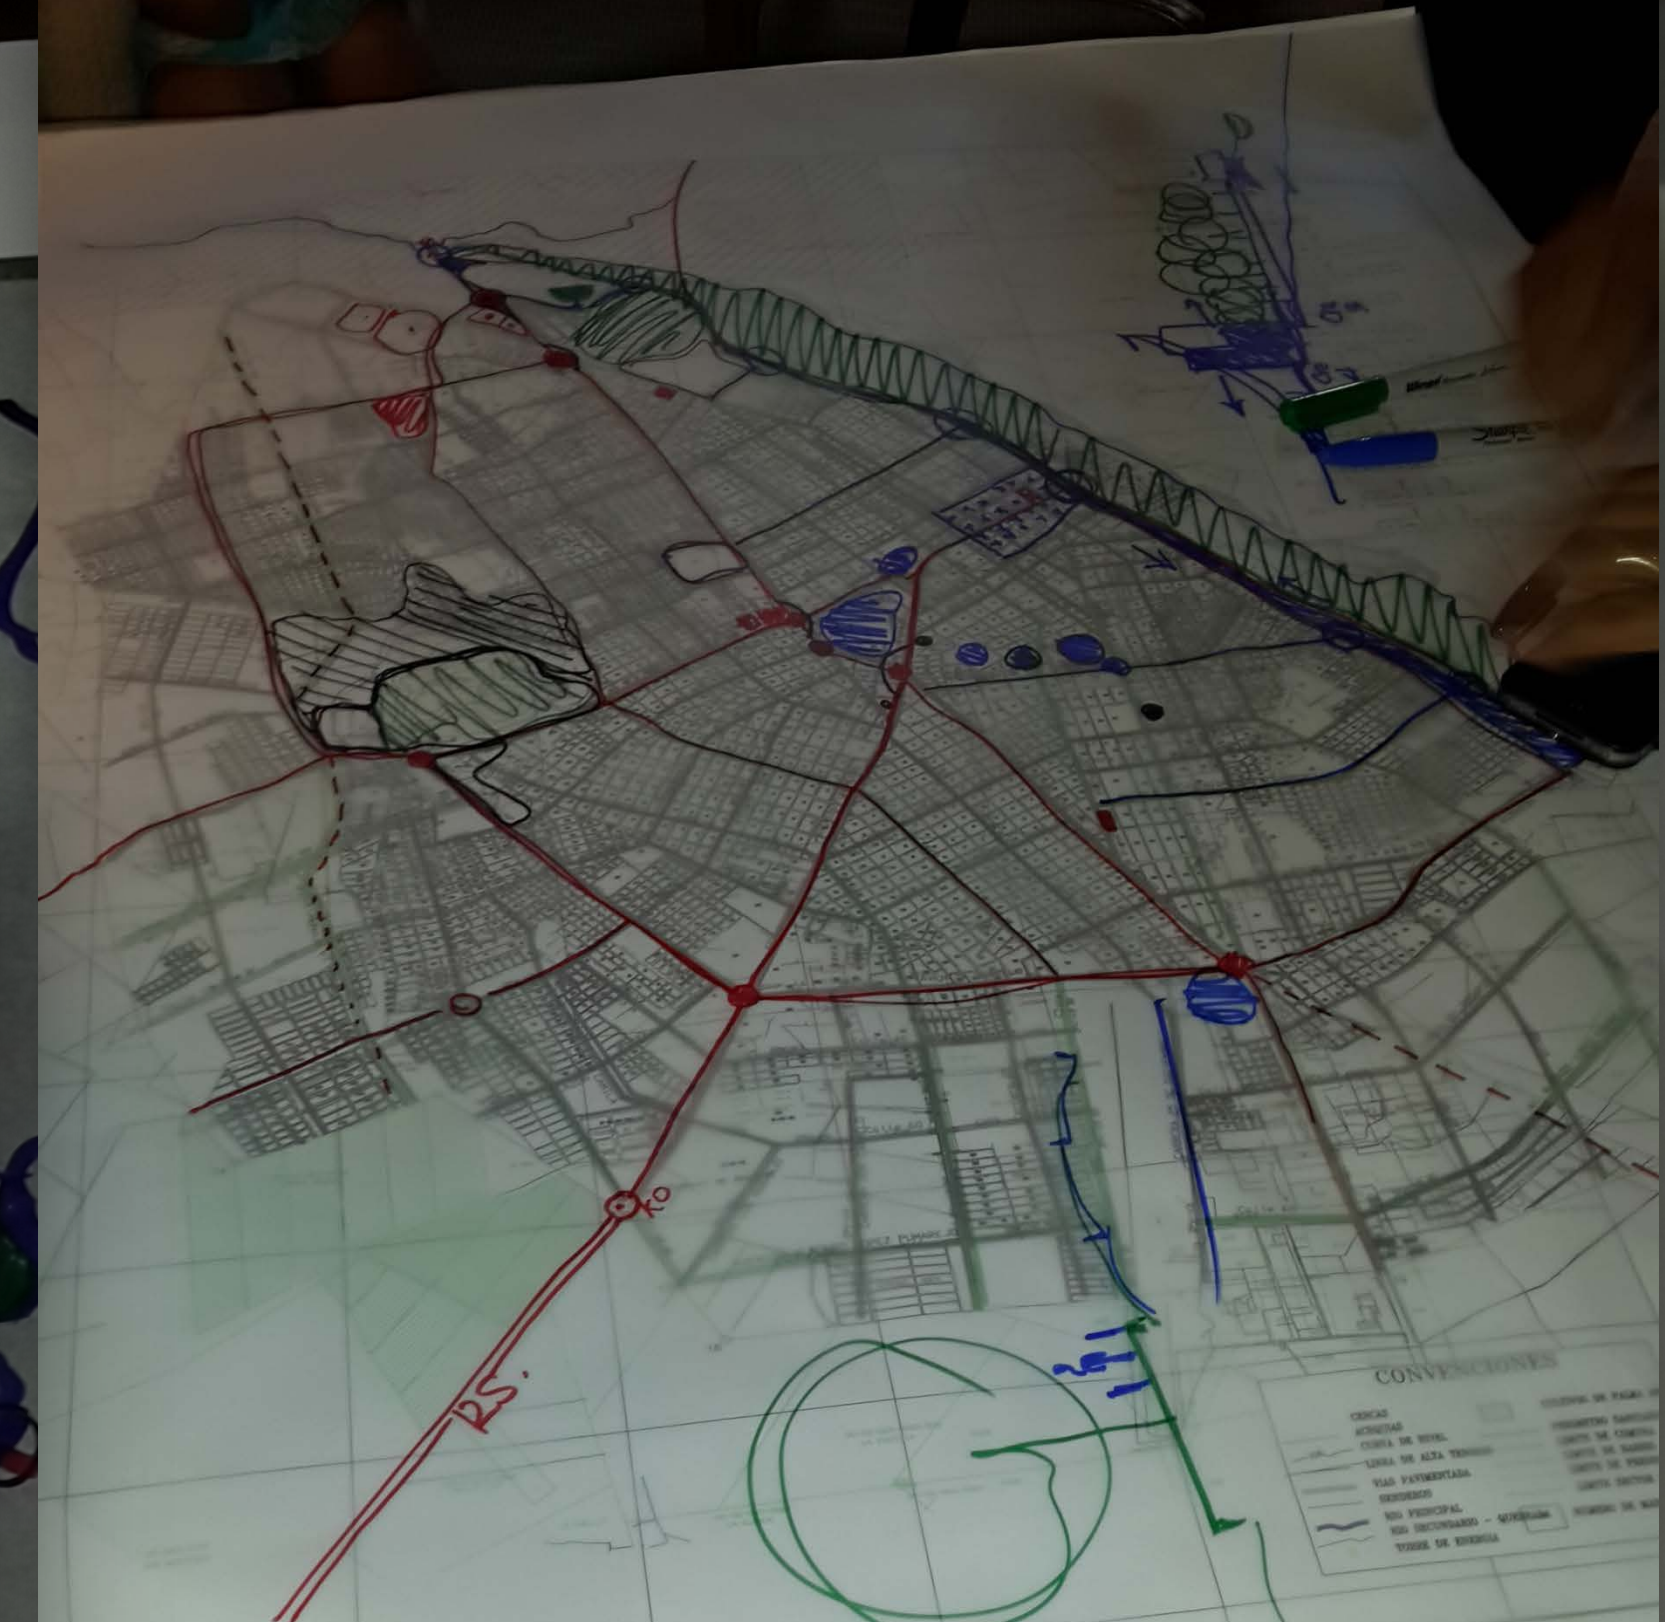

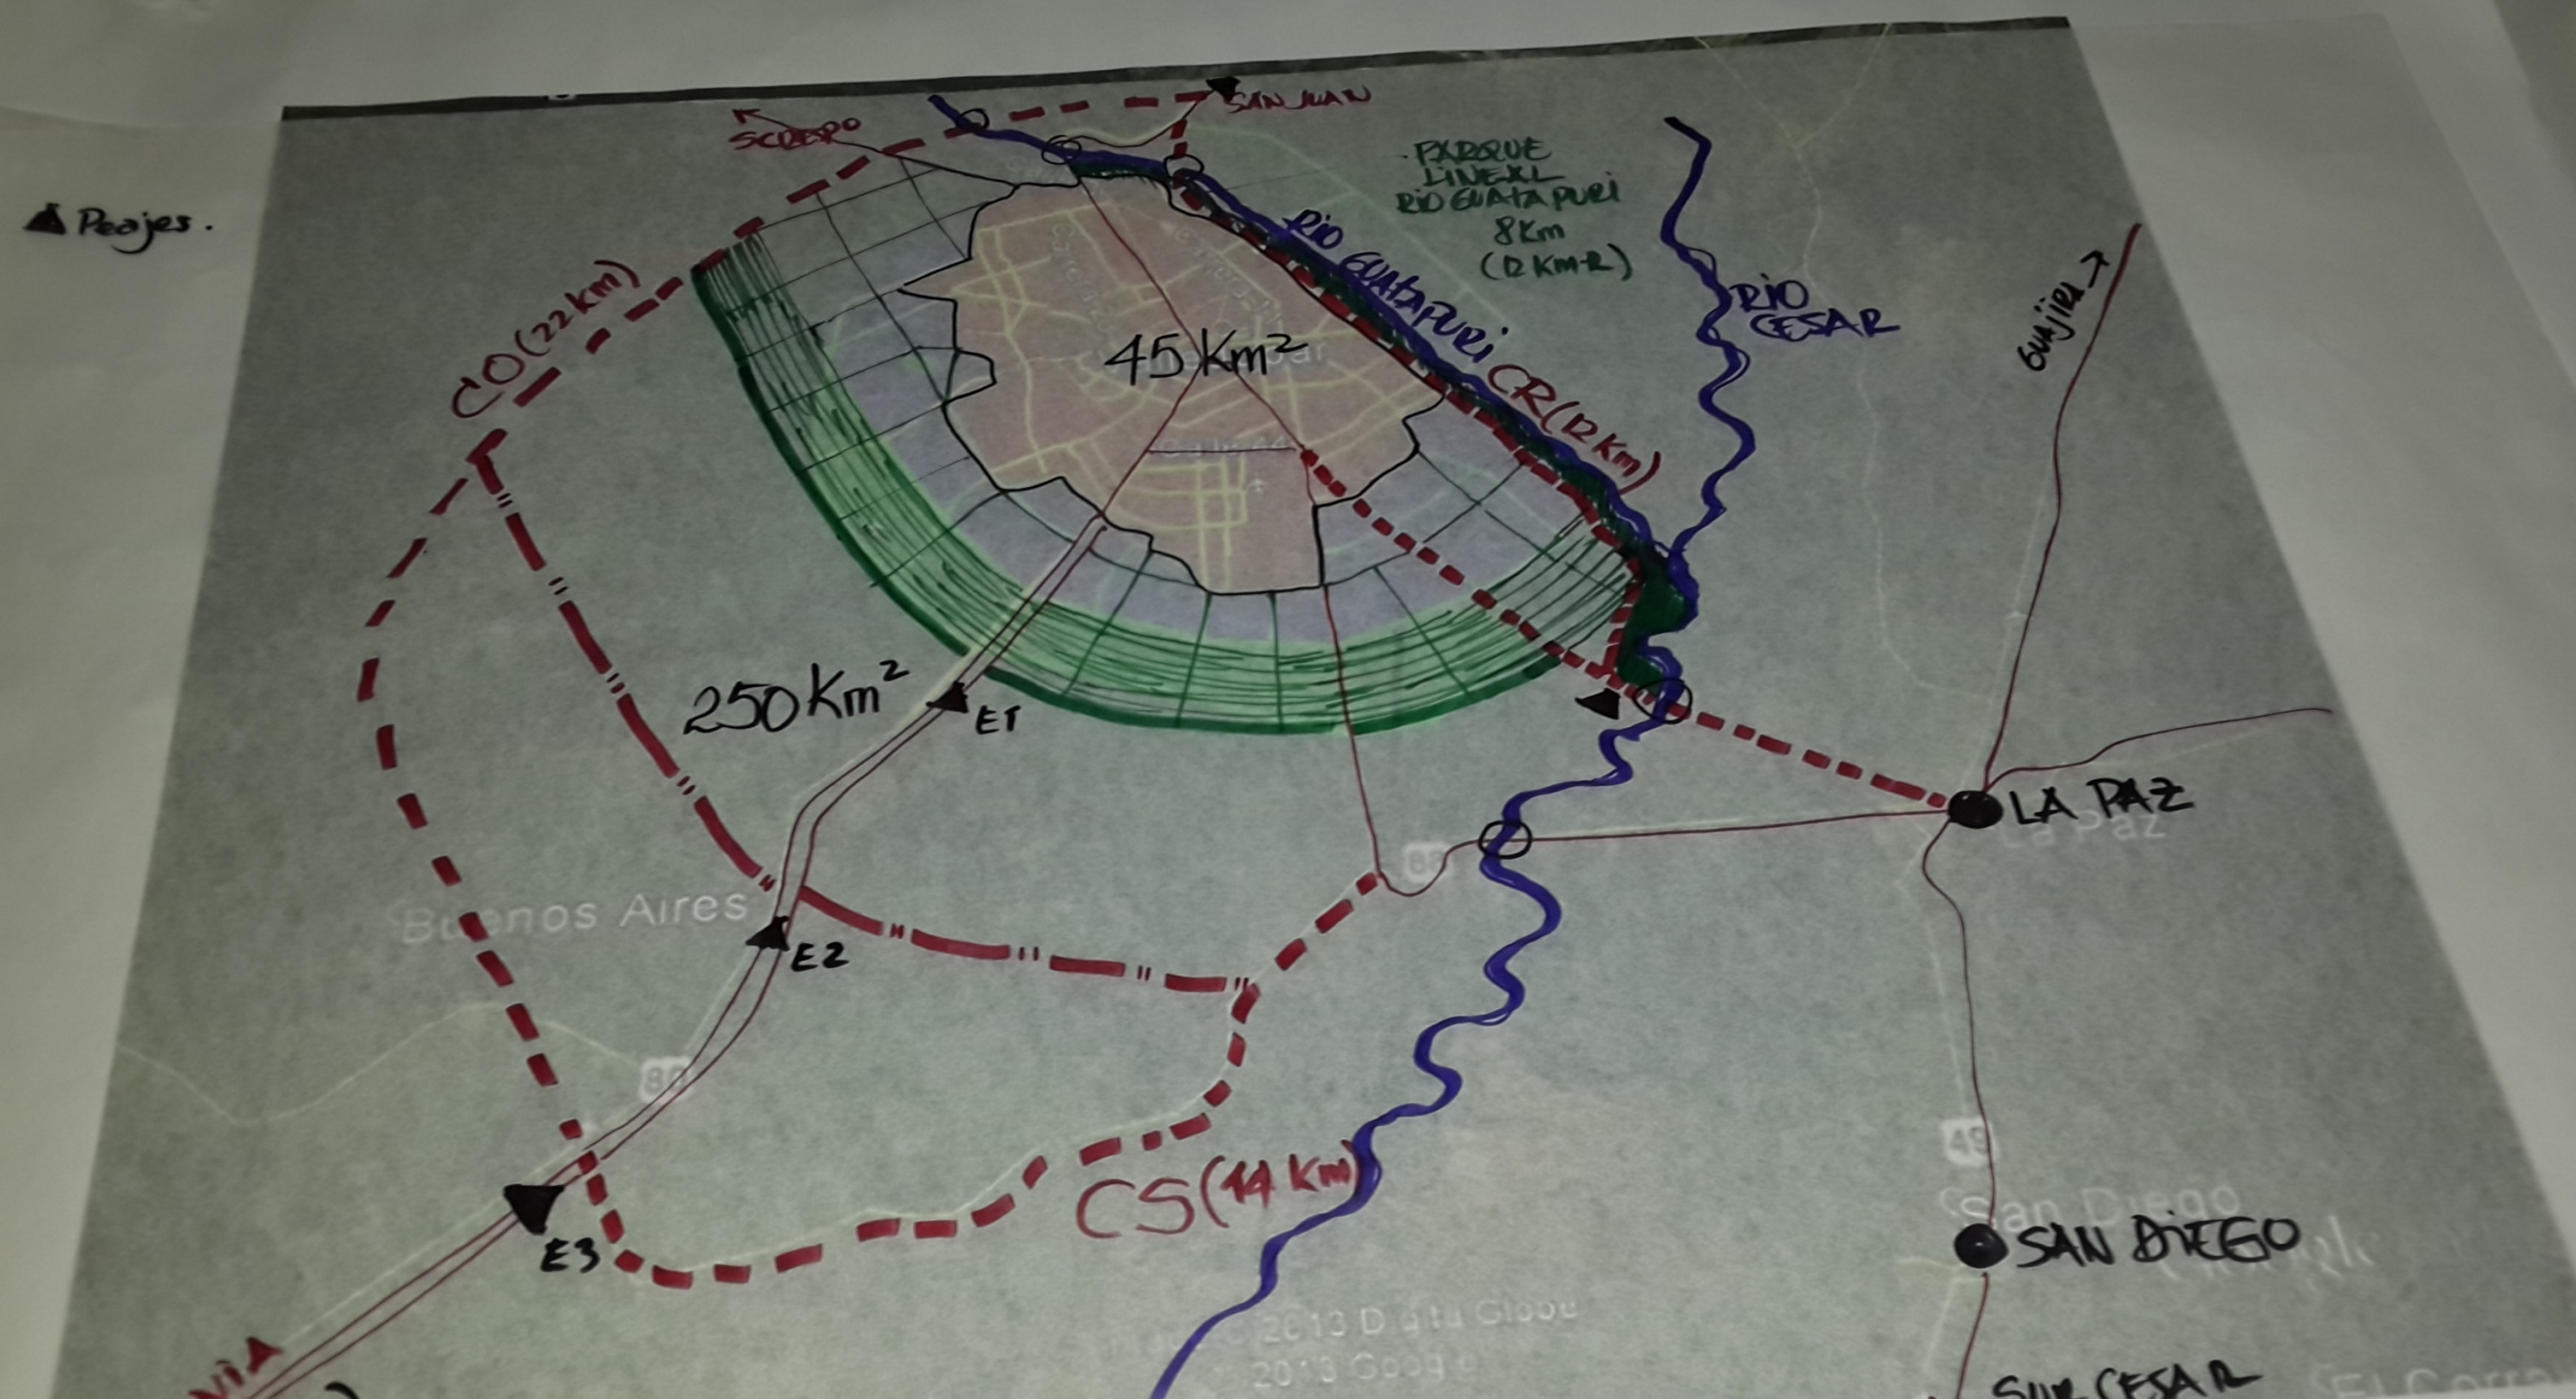

**Master plan for Water
Sanitation and
sewerage**

In 2013...

The Mayor's Office meet with
New York University

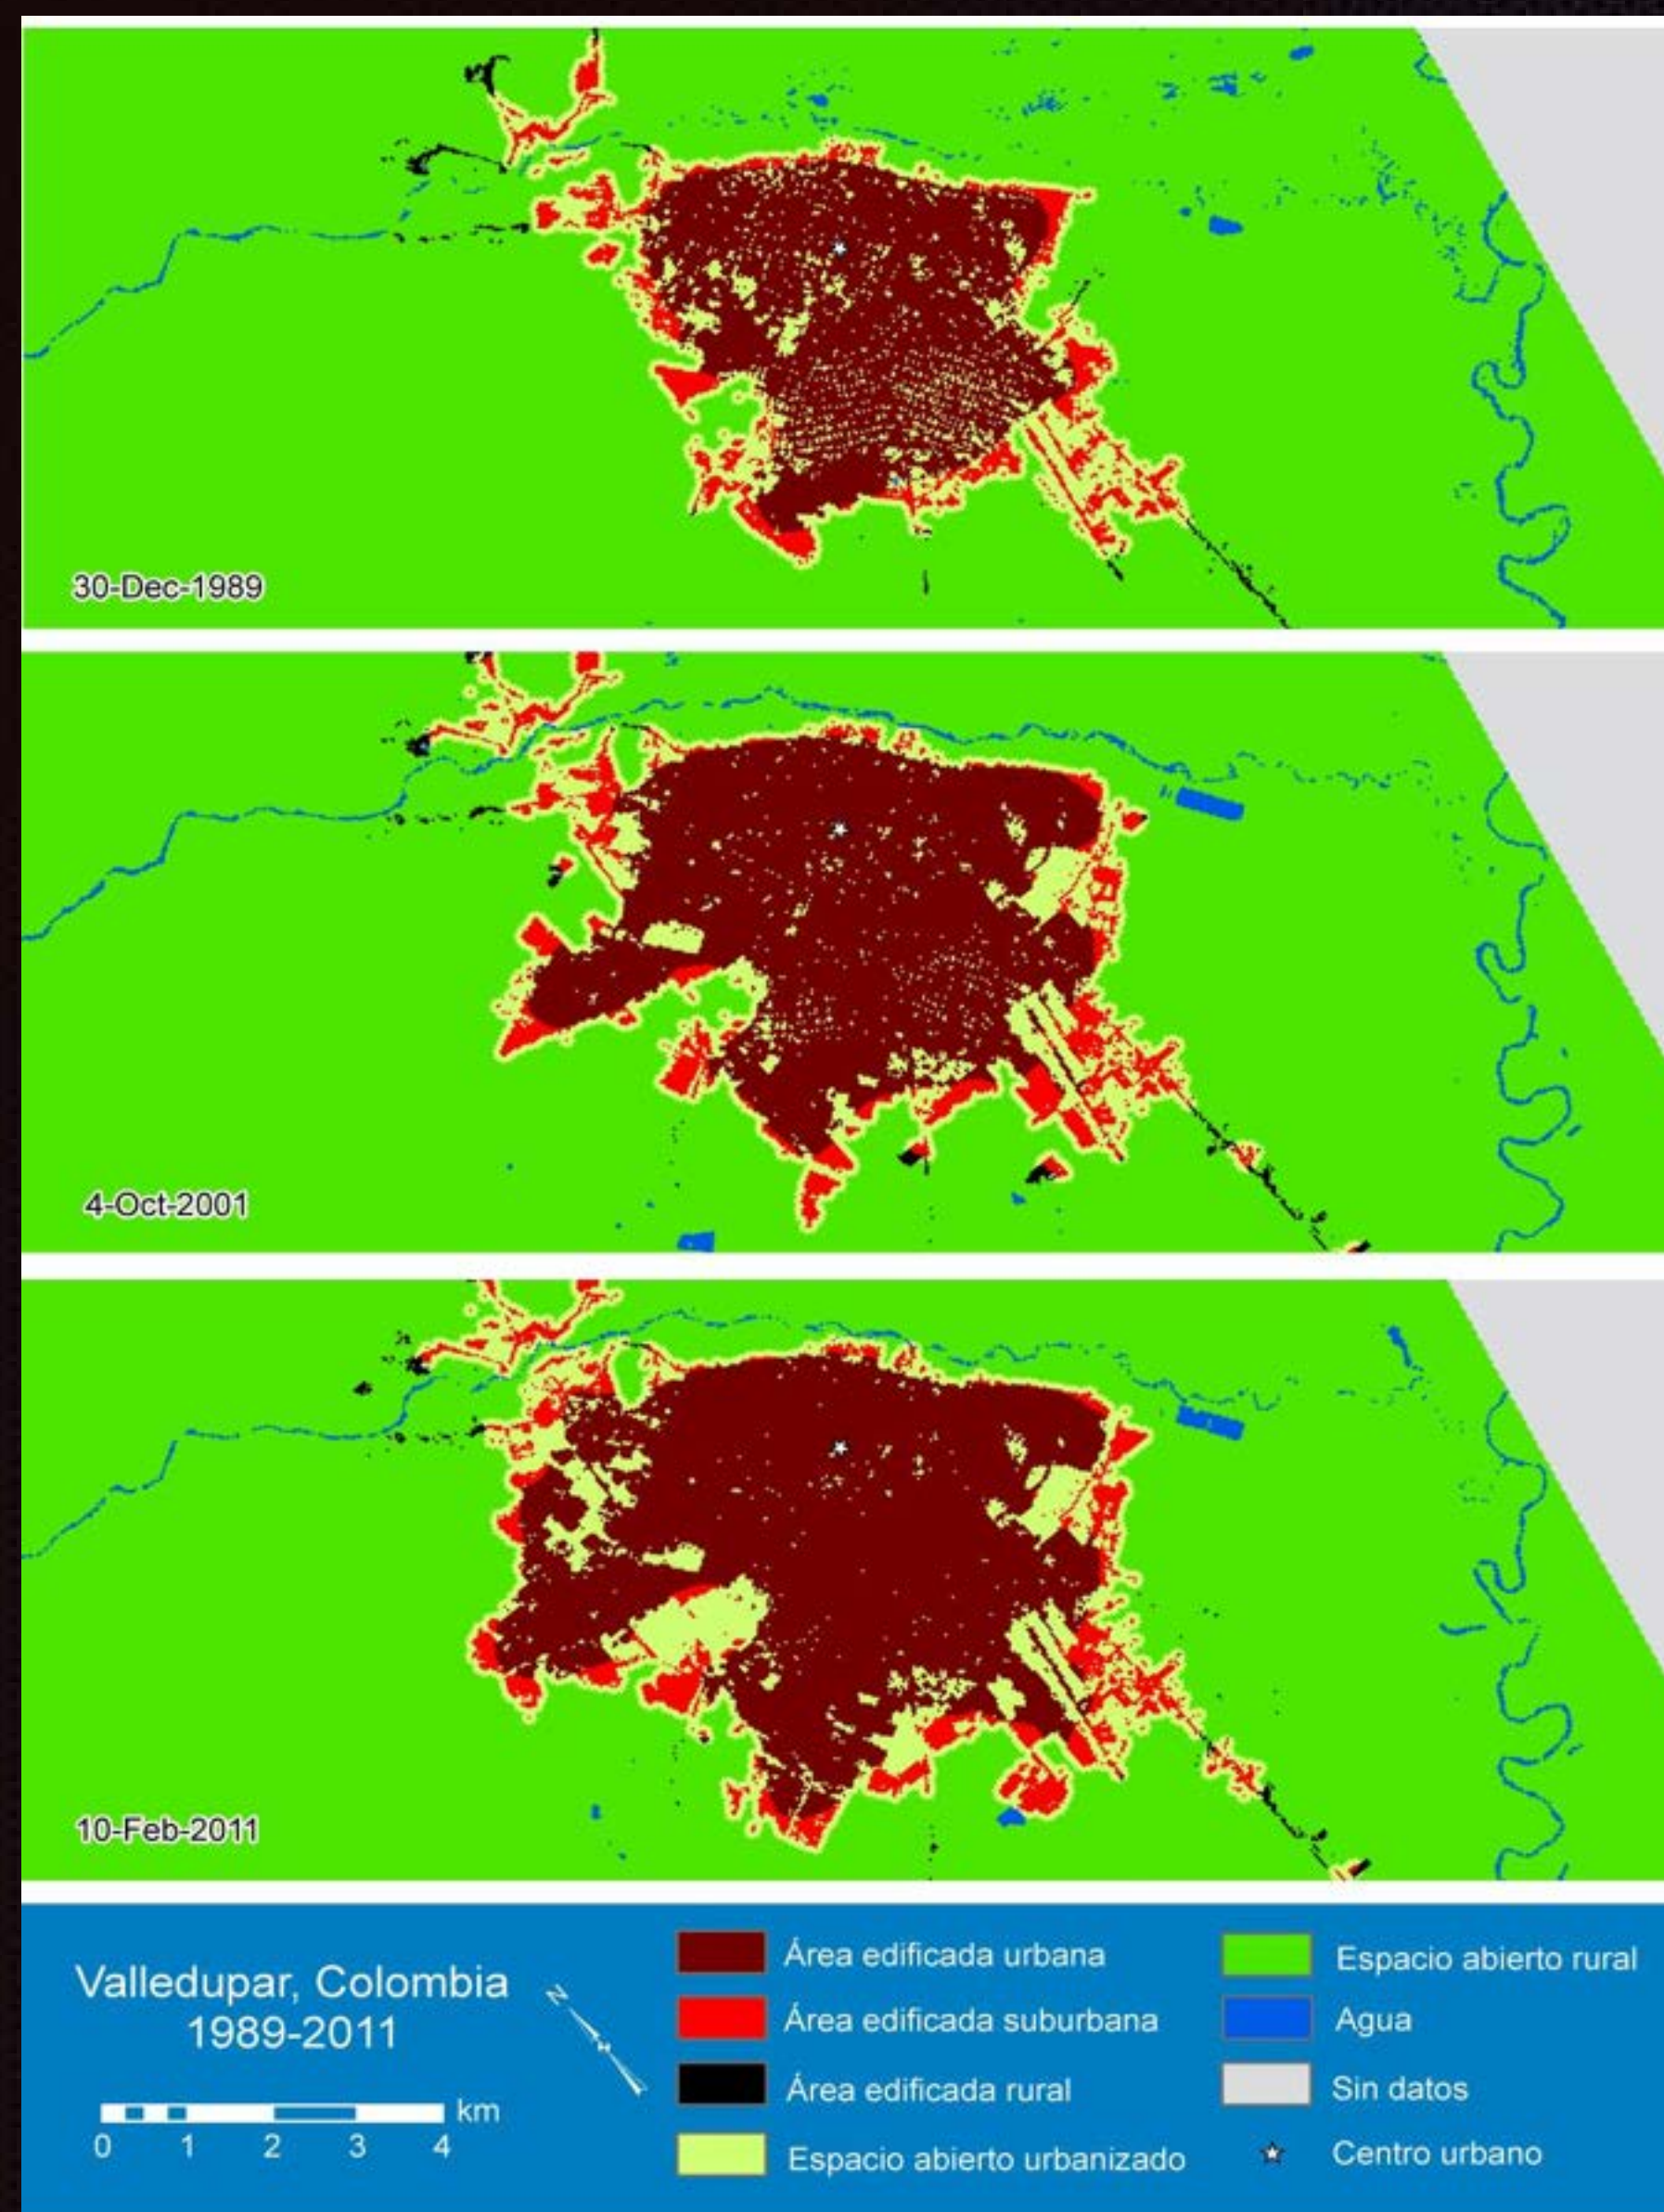

So we start to Work...

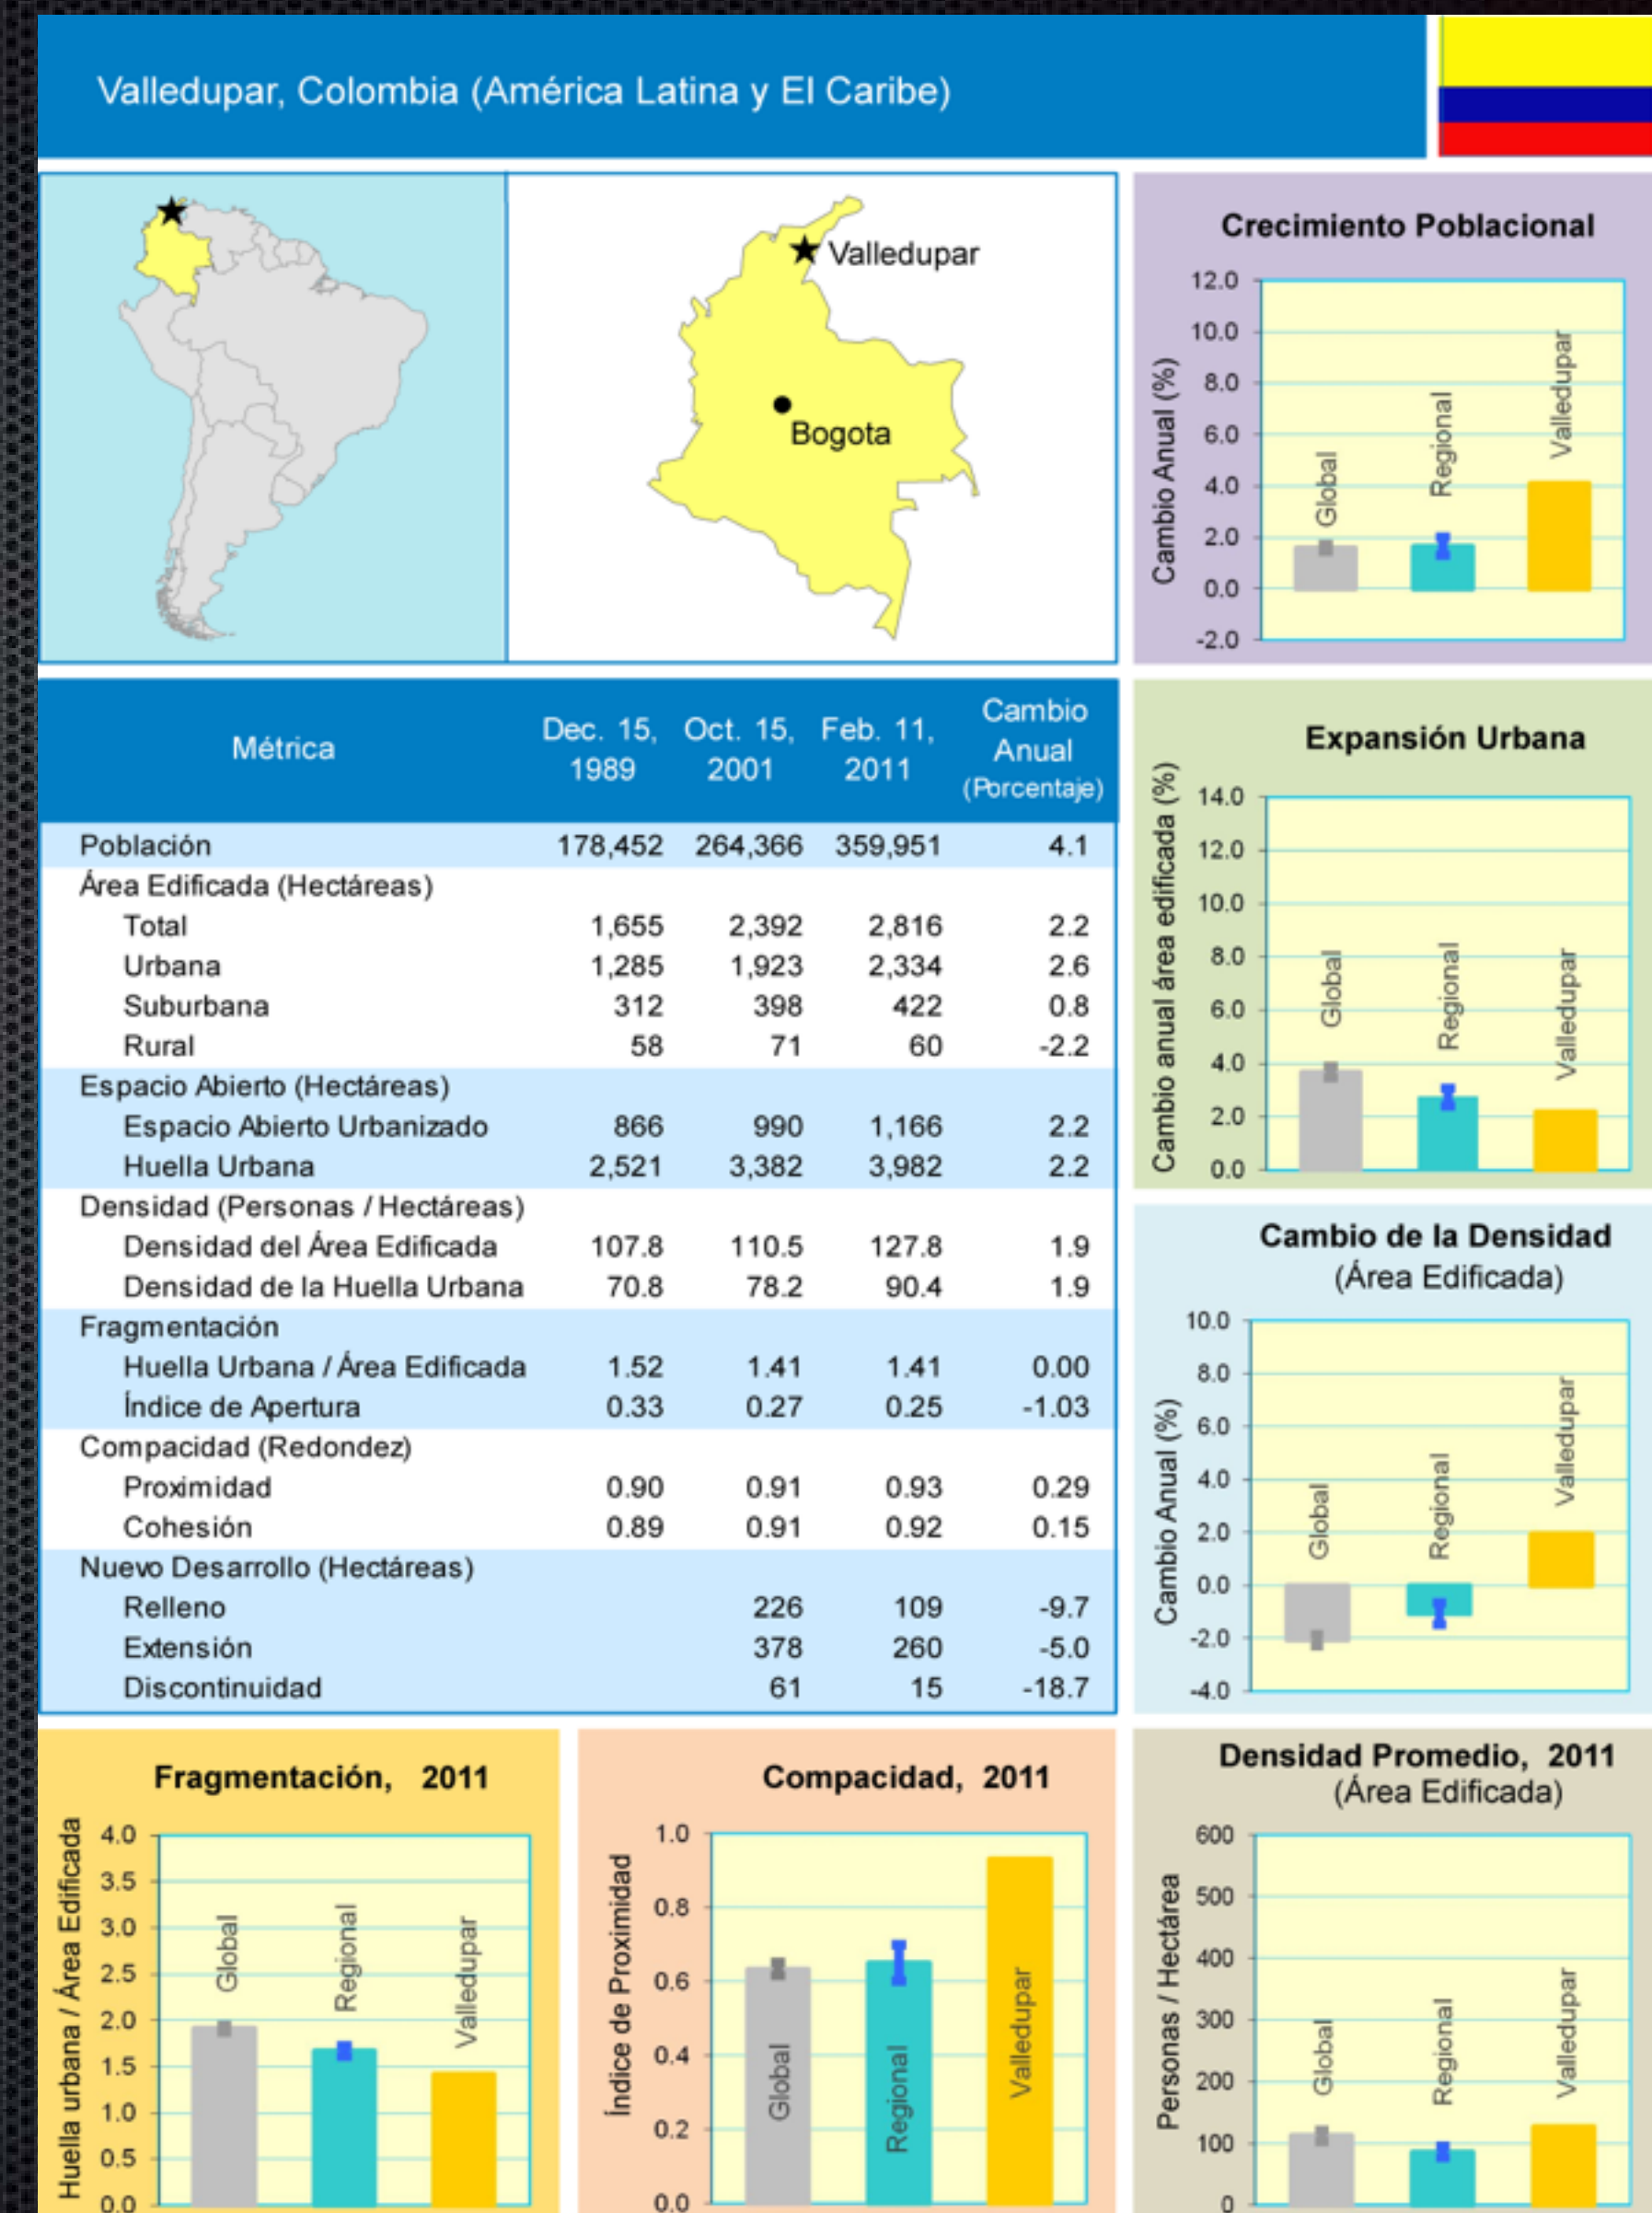

- * Realistic Demographic and Land Cover Projections
- * Generous City Limits
- * Securing the land for an Arterial Road Grid
- * Selective Protection of Public Spaces
