TRACKING THE MOUNTAIN GHOST

“...in the not-seeing, I am content... That the snow leopard is, that it is there, that its frosty eyes watch us from the mountain - that is enough”

Peter Matthiessen, 'The Snow Leopard', 1978

Thank you for helping to protect the snow leopard

I shall never see your country let alone a snow leopard but I'm glad to be supporting the vital work that you do.

Kinnipson.

Thank you
