

# When Families Are Deported: Schooling for US-Citizen Students in Mexico

Dr. Bryant Jensen, *Brigham Young University*

Dr. Mónica Jacobo, *Centro de Investigación y Docencia Económicas*

Figure 4. Mexico maps of US-born child returnee density by state  
2010 and 2015

Source: Original analysis using the Censo de Población y Vivienda 2010 and the Encuesta Intercensal 2015 by the Instituto Nacional de Estadística y Geografía (INEGI).

# Policy Recommendations: US-Mexico Collaborations

- Revive bi-national partnership programs in education to improve schooling for US-citizen students in Mexico
- Foster partnerships between US and Mexican ***local education agencies*** to improve school access and quality of US-citizen students in Mexico
- Enhance research investments in collaboration with Mexican institutions to understand and improve schooling for US-citizen students in Mexico
