WATER DIPLOMACY PROGRAM
Young Professionals

"For me, it was really cool to know that other people share the same interest for water, and it makes you feel more optimistic."
Marina Lubanov, Water Diplomat 2020

YOUNG PROFESSIONALS AND STUDENTS
AGE 20-35

"I do believe that the environment could potentially be a way to do peacebuilding and...seeing our neighbors as equals and really trying to work together in order to solve our shared problem."
Roy Kimhi, Water Diplomat 2020
