- Pfizer
- Moderna
- Johnson and Johnson
- Oxford AstraZeneca
- Sinovac

Vaccination Roll-Out Strategy

- Phase 1 (Jan - late Mar 2021): Vaccination of health personnel working closely with COVID-19 patients.
- Phase 2 (Feb - early Apr 2021): Front line health personnel over 65 years of age.
- Phase 3 (Apr - May 2021): People 50 years of age or older.
- Phase 4 (June 2021): People 40-49 years of age.
- Phase 5 (June 2021): Adult vaccination.

Comparison of COVID-19 Vaccination Efforts

- Percentage of Vaccinated Administered
- Percentage of Country Fully Vaccinated

Willingness to get the Vaccine*

Agreement with the statement: “If a vaccine for COVID-19 were available I would get it.”

* Mexican statistics are updated as of 3/30/21, with some numbers higher than the number of people in Mexico.
